

TSAWOUT FIRST NATION

## PUBLIC NOTICE

TSEYCUM FIRST NATION

February 25, 2019

Dear Residents and Tsawout and Tseycum First Nation members:

### **RE: NOTICE OF TIMBER HARVEST ON IR#7 SATURNA ISLAND Block A, IR#7 Saturna Island, Tseycum and Tsawout First Nation**

Beginning February 27, 2018, Chemainus Forest Products Ltd in partnership with Tsawout First Nation and Tseycum First Nation will initiate timber harvest on Block A on Saturna Island IR#7 reserve lands. Work crews employed by Chemainus Forest Products Ltd. will be onsite daily for approximately two to three months executing the allowable harvest according to approved permit and guidelines.

#### **PROJECT RELATED INFORMATION AND RECOMMENDATIONS**

- **Traffic Delays** - In order to safely and efficiently complete this improvement, there will be some traffic congestions and restrictions in regards to the transport of raw logs. We will make every effort to minimize any potential inconvenience and provide you with advance notice when disruptions must occur. Police and emergency vehicle access will be maintained at all times.
- **Truck Traffic** - At times you will notice increased truck traffic in the harvest area along East Point Road. Please be aware and use extra caution while driving.

Please see upcoming newsletters and notices for further updates.

Thank you for your patience and cooperation.

Sincerely,

Tsawout First Nation
